Jaishankar in US next week on vaccine mission for India, neighbours

Minister will meet UN chief, US Secretary of State Blinken, and business forums

External affairs minister S Jaishankar

SHUBHAJIT ROY  
 New Delhi, May 21

**FACED WITH** a massive shortage of vaccines amid a devastating second Covid wave, the Government is sending External Affairs Minister S Jaishankar to the US next week to meet top officials and manufacturers to firm up deals for supply.

The decision comes after US President Joe Biden announced five days ago that the US will begin shipping 20 million doses of Pfizer-BioNTech, Moderna and Johnson & Johnson's Covid-vaccines to needy countries by June-end, in addition to 60 million shots of AstraZeneca.

There is no clarity yet on the distribution details but India is likely to be one of the beneficiaries. AstraZeneca's vaccine,

and Maldives have also been asking for vaccines.

In a statement on Jaishankar's visit, the Ministry of External Affairs said: "In New York, he is expected to meet UN Secretary General Antonio Guterres. In Washington DC, he will hold discussions with his counterpart US Secretary of State Antony Blinken. He will also be meeting Cabinet members and senior officials of the administration dealing with the bilateral relationship."

The External Affairs Minister will also engage in two interactions with business forums on economic and Covid-related cooperation between India and the US, the statement said.

Jaishankar, who met Blinken on the sidelines of the G-7 Foreign Ministers' meeting in London, had interacted with the US Global Task Force on Pandemic Relief recently over video-conferencing. He had discussed with CEOs their support for India's efforts.

The groundwork for Jaishankar's visit has been laid by India's Ambassador to the US,

which is being manufactured and distributed in India as Covishield, has not yet been authorised for use in the US with several irregularities coming to the fore at the Baltimore plant where it is made along with the J&J vaccines.

Sources told The Indian Express that Jaishankar's mission, during his visit from May 24-28, will be to "persuade the US to send as many vaccines as possible to India and its neighbours". Recently, Bangladesh Foreign Minister A K Abdul Momen had reached out to Jaishankar for lobbying with the US in this regard. Nepal, Sri Lanka
